

# THE "HO SERIES" CARBURETORS

The "HO" was designed with the Pro-Street and bracket racer in mind featuring crisp throttle response and killer acceleration. These carburetors are equally at home on the street or race track. "HO Carburetors" are available in 750 & 850 models currently and include all the features listed below. Which means milled choke housing, fully machined and deburred main body surfaces, high flow boosters and metering blocks, four corner idle, dual accelerator pumps, clear view sight plugs, reusable gaskets, and Killer performance. Due to the great success of our "HO Series" performance carburetors, we have expanded the line to include a fully ported and polished version, including a Dominator. We have designated this model the "HO Modified". It includes all the special features and fuel calibration as the "HO" Plus full Porting and Polishing for additional airflow, and special Machined Boosters resulting in a flatter fuel curve. We recently just developed an "Alcohol HO" in 750 & 850 configurations for Drag Race & Circle Track where cost + performance are the main considerations. Don't let the low price fool you, contact C.H.P. today and feel the excitement!

Part #	Description
750HO	750 HO Performance Carburetor
850HO	850 HO Performance Carburetor
750HOM	750 HO Fully Ported Carburetor
850HOM	850 HO Fully Ported Carburetor
1050HOM	Fully Ported 1050 Dominator
750HO-A	750 HO Alcohol Carburetor
850HO-A	850 HO Alcohol Carburetor

## JET PACK AND PLATE

We offer premium quality Holley jets installed in a billet aluminum jet plate in many sizes at an unbelievable low price! Kits are available with ten different jet sizes in quantities of 4 or 8 jets per jet size. (40) or (80) Jets are installed in plate and are skin-packaged.

Part #	Description
6011	Holley #60-69 Jets and Plate (4 each)
6012	Holley #70-79 Jets and Plate (4 each)
6013	Holley #80-89 Jets and Plate (4 each)
6014	Holley #90-99 Jets and Plate (4 each)
6015	Holley #60-69 Jets and Plate (8 each)
6016	Holley #70-79 Jets and Plate (8 each)
6017	Holley #80-89 Jets and Plate (8 each)
6018	Holley #90-99 Jets and Plate (8 each)
