

CLEVITE 77 PERFORMANCE

BOLT BOOTS

CLEVITE 77 Bolt Boots protect journal surfaces during engine assembly, preventing crankshaft damage. Shipped with 2 per card, and sold in cartons of 48 carded pairs only.

Order:

2800B1

(sold in quantities of 48 only)

BEARING GUARD

CLEVITE 77 gearing Guard is specially formulated to provide proper lubrication for engine components during assembly and the first crucial moments of operation after engine start-up. Bearing Guard has an Extreme Pressure (EP) rating for the most severe applications.

Order:

2800B2 8 oz. bottle

2800B4 1 gallon jug

2800B5 1-1/3 oz. package

2800B15 15 gallon drum
